

## **FINANCIAL POLICY**

We at Aesthetic Surgery Associates would like to welcome you to our practice. We are dedicated to offering our patients the very best care possible. In our continued effort to assist you, we would like you to know it is important that you keep us updated with any changes in your personal information as they may occur. This includes, but is not limited to, your insurance information.

While we are happy to bill insurance carriers as a courtesy to our patients, you must understand that this can only be done with correct information. We will do everything possible to have your insurance company process and pay your charges. However, financial responsibility rests with our patients. If our bill remains unpaid, you may be held responsible for collection costs including, but not limited to, collection agency fees, attorney fees, court costs and filing fees.

*Please remember that your insurance coverage is a contract between you and the insurance carrier.*
